Human First, Nurse Second – Navigating the Chaos

What will it take to succeed as a future clinical nurse?

How can you prepare yourself for today's healthcare environment?

How can the profession use innovative solutions to address nursing workforce issues?

This presentation will explore the reasons for the nursing shortage and the current state of the nursing workforce and nursing education in Illinois. We will discuss the future of care delivery, what it means to have a safe work environment and how we influence health equity, diversity, and inclusion. We will wrap up the session with a Q&A with the audience.
